

Cork Institute of Technology (CIT) will host a number of Question and Answer video sessions online on Instagram Live for prospective CAO students over the coming weeks, starting on Monday 27th April 2020 and will cover areas such as Business, Engineering, Science, Humanities, Computer Science, Art, Music & Maritime. These sessions will be particularly beneficial for students availing of the CAO Change of Mind facility.

Each session will last 30 minutes and will be based on a particular department's courses and disciplinary area, covering topics such as course content, work placement and future job prospects. Sessions for CIT support services such as Access & Disabilities, Mature Students and HEAR / DARE programmes will also be organised.

A full timetable of the virtual Q & A events is available from www.cit.ie/cao. Students can also email us or request a call back. Details of these options also on the landing page.
