Dear Parent/Guardian,

As part of our Junior Cycle and Transition Year Social Personal and Health Education (SPHE) Programme, we would like to inform you about an upcoming module on Relationships and Sexuality Education (RSE). Beyond the physical aspects of relationships, RSE also encompasses the broader social and psychological elements of each individual.

Should your teenager have any questions or concerns regarding the topics covered in this module, you, as their parent or guardian, are in the best position to address and support them.

Consent for participation in the RSE module will be presumed unless you explicitly choose to withdraw your son/daughter. If you prefer to opt your child out of this module, kindly notify us by sending an email to glanmirecc@corketb.ie.

We sincerely appreciate your continued support, especially regarding the SPHE Curriculum.

Yours sincerely,

GCC SPHE Department
