RE: REGISTRATION OF STUDENTS ON THE REGISTER OF ELECTORS.

A Chara,

As in previous years, we are requesting your help in registering as many eligible students as possible on the Register of Electors. Being registered to vote means that you can participate in deciding who represents you at Local, National and European Government Level. Voting is a part of good citizenship.

I would be grateful if you would ask your students who are 18 and older to complete the online application form or update their details on www.checktheresister.ie. They will need their PPSN, Eircode and Date of Birth.

Students who are 16 and 17 can also pre-register and their names will be added to the Register when they turn 18.

I can assure you that the information is given in strict confidence and will not be used for any other purpose, other than the Register of Electors.

Kind Regards,

Geraldine Angland
Register of Electors.
