

## Itinerary - French Language Tour

**12/01/2026 - 16/01/2026**

### Passport/Visa Information

It is the responsibility of the group leader to ensure that all members of the tour hold a valid passport and visa if required.

Border checks are now in place across Europe so if you are crossing any country borders during your itinerary passports may be required.

### Dietary Requirements and Allergies

We have made every effort to inform the accommodation and pre-booked restaurants of any dietary requirements and allergies notified to us in advance of the trip. The group leader(s) on tour will still need to satisfy themselves that at every point of food service, the food being supplied is suitable and meets the dietary requirements of the group. Group leader(s) should consider that there may be excursions within your itinerary where allergens could be present and to take precautions accordingly.

We have resources available to assist with communication of dietary requirements and allergens in the local language for our core destinations.
