Glanmire Community College 2026/2027 School Year

Information for Parents

Dear Parents/Guardians,

Our preparations for the 2026/2027 school are well underway and we wish to provide you with the information you will need when planning for the next academic year. This information is being provided to you in a timely manner in order to give families adequate time to prepare for the return to school in late August.

All the relevant information is available on our school website www.glanmirecc.ie. You are advised to visit the school website regularly to keep yourself informed and updated. We ask parents to please take the time to read the information provided in each section carefully.

Student Commitment

We ask all students and parents/guardians to consider the following points before the start of the new school year in *GCC*:

1. Daily attendance at school is essential for high quality learning.
2. Be on time for school each day and present well in full uniform.
3. Show respect and courtesy at all times towards your peers, staff and visitors to *GCC*.
4. Have high personal expectations and standards for your work, your classroom and your school.
5. Help to develop a sense of pride in our school, as a place where your contribution is valued.
6. Have the drive, determination and ambition to achieve your goals.

GCC Code of Behaviour

Parents are reminded that when enrolling your child in *GCC* you confirm that you accept our school's Code of Behaviour and you agree to ensure that your child follows it during their time in the school.

You can access the Code of Behaviour at www.glanmirecc.ie or you can obtain a copy from the school office on request. We kindly ask parents to make all reasonable efforts to ensure compliance by the students with our Code of Behaviour. We are very proud of our students in *GCC* and we ask for your support in continuing to promote positive student behaviour in our school.

We look forward to seeing you all in late August after the Summer break. We especially look forward to welcoming our new group of 1st Year students to GCC and we hope that the coming academic year provides an opportunity for all our student learners to engage actively with their learning programmes.

We wish you all a safe and enjoyable Summer.
